

The diversity of the board members and the biographies of director

- The composition of the board of directors shall be determined by taking diversity into consideration. It is advisable that directors concurrently serving as company officers not exceed one-third of the total number of the board members, and that an appropriate policy on diversity based on the Company's business operations, operating dynamics, and development needs be formulated and include, without being limited to, the following two general standards:
 1. Basic requirements and values: Gender, age, nationality, and culture.
 2. Professional knowledge and skills: A professional background (e.g., law, accounting, industry, finance, marketing, technology), professional skills, and industry experience.

All members of the board shall have the knowledge, skills, and experience necessary to perform their duties and the diversity representation of the Board. Furthermore, regard for the benefits of diversity on the Board. To achieve the ideal goal of corporate governance, the board of directors shall possess the following abilities:

1. Ability to make operational judgments.
 2. Ability to perform accounting and financial analysis.
 3. Ability to conduct management administration.
 4. Ability to conduct crisis management.
 5. Knowledge of the industry.
 6. An international market perspective.
 7. Ability to lead.
 8. Ability to make policy decisions.
- In consideration of diversity and fairness, the 11th term Board of Directors has 7 directors: Mr. Chin-Li Liang (Chairman), Mr. Jung-Tang Yang (Director), and Mr. Wei Ma (Director) have managed in various industry experience. They are good at leadership, management and have different industrial knowledge, decision-making ability and international market view. Mrs. Mei-Li Hus (Independent director) has experience in legal affairs. Mr. Chyan Yang (Independent director) has a professional background in business management. Mrs. Hui-Hsin Yeh (Independent director) is a CPA at law. Mrs. Feng-Di Lung has a professional background in chemistry. Directors and independent director have complete education and experience, impelling the Board of Directors to bring the management decision-making and leadership into full play.

- There is 1 Director (14%) of the Company who is also employee. There are 4 Independent Directors (57%) and 3 female directors (43%), 4 Independent Directors' seniority is below 3 years. 2 Director's age is between 51 to 60; 3 Directors' age is between 61 to 70 years old; 2 Directors' age is between 71 to 80 years old.

Item Name	Nationality	Gender	Employee position	Age			The term of independent director		
				Below 60 years old	61 ~ 70 years old	71 ~ 80 years old	Below 3 years	3 ~ 9 years	Over 9 years

- The specific management objectives and achievement of the Company's diversity policy are as follows:

Management objectives	Progress
Independent Directors form the majority of all directors.	Achieved
Number of Directors who concurrently serve as Company managers do not exceed one-third of all Directors.	Achieved
Female directors more than one – third seats of directors.	Achieved

- Responsibilities of the Board of Directors:

The board of directors of the company shall guide the company's strategy, supervise the management, and be accountable to the company and shareholders. The operations and arrangements of its corporate governance system shall ensure that the board of directors exercises its functions and powers in accordance with laws and regulations, the company's articles of association, or the resolutions of the shareholders' meeting.

- The company's board of directors is composed of directors with outstanding professional background and rich experience in the fields of engineering, legal, commerce and management. The first duty of the board of directors is supervision. It must supervise the company's legal compliance, financial transparency, timely disclosure of important information, free from internal dishonesty. The second duty is to lead the operations team. The board of directors listens to reports from the operations team regularly and provides appropriate suggestions and guidance. The third duty of the board of directors is to hire and dismiss managers and assess the performance of the operations team. There is good communication between the company's operations staff and the board of directors. They concentrate and dedicate themselves to the execution of the instructions of the board of directors and business operations, creating the highest interest for the shareholders.
